## **CITY OF WINNIPEG CONSTRUCTION NOTICE**

**TO: Residents**

**RE: 2022 Local Street Renewal Project – Wardlaw Avenue – Scott Street to Osborne Street**

---

Please be advised the above project will soon begin.

Construction start: May 25, 2022

Duration: 7 weeks

This street will undergo a minor rehabilitation. Work will include roadway pavement repairs, curb and sidewalk repairs, utility and underground infrastructure repairs and adjustments, and placement of asphalt pavement overlay. For more information regarding street renewal work within the City of Winnipeg, please visit <https://www.winnipeg.ca/publicworks/construction/roadway/roadRenewalDefinitions.stm#undefined>.

During construction, on-street parking will be prohibited and one lane of two-way local-access traffic will be maintained. During some portions of the work, the street will be completely closed to traffic and private approaches will not be accessible. In these situations, you will be notified at least 24 hours prior to the disruption of access.

Garbage and recycling will continue to be picked up at regular locations and times. The contractor may relocate bins if required.

Anyone with accessibility needs, moving requirements, planned special events, any underground appurtenances, such as sprinkler systems, lighting cables, etc. within 6 metres (20 feet) of the street curb line or any other questions are asked to contact Richard Hawkins from WSP Canada Inc. at (204) 477-7608, during regular working hours or by email at [Richard.Hawkins@wsp.com](mailto:Richard.Hawkins@wsp.com).

We appreciate your patience during construction.

Sincerely,

**WSP Canada Inc.**
