CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents

**RE: 2022 LOCAL AND INDUSTRIAL STREET RENEWAL PROGRAM:
YUKON AVENUE– ST JAMES STREET TO EMPRESS STREET**

Construction start date: May 24, 2022
Duration: 5 weeks
Traffic impacts: Local Access Only

As part of this work we will be repairing the pavement, sidewalk and curb, then installing a new asphalt overlay to improve drainage and rideability on the street. During construction, the street will be closed except for local access and there will be no parking permitted. Pedestrian access to businesses will be maintained. Vehicle access to approaches will maintained as much as possible.

We are asking anyone with accessibility needs, moving requirements, planned special events or known underground appurtenances (such as sprinkler systems, lighting cables, etc.) within 20 feet of the curb, to contact me at (204) 928-8431. We are also here to answer general questions about the project.

Sincerely,

Blair Cockrell
Project Coordinator, Transportation
