CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents and Business Owners

**RE: 2022 Local Streets Project
Brock Street from Corydon Avenue to Grosvenor Avenue**

Please be advised that Brock Street will be closed this summer to accommodate road renewals.

Construction start: Week of July 11, 2022
Approximate Duration: 4 Weeks
Impacted streets / intersections: Brock Street

This project will see Brock Street renewed to improve pedestrian access and drainage, and to improve driving/riding conditions. Work will include removing the existing asphalt pavement, repairing select concrete and curbs, completing some underground work, and installing a new asphalt pavement.

The street will be closed to traffic during construction. Garbage collection will continue in the alley.

If you are a business with access, delivery, or loading requirements that we should be aware of, please contact us to discuss your needs.

If you have accessibility concerns, planned special events, known underground appurtenances (such as sprinklers or lighting cables) within three metres of the property line, signs in the boulevard, or any questions or concerns, please contact us to discuss.

Please contact Michael Turko at 204-896-1209 or at mturko@ksgsgroup.com with any questions or concerns regarding the work.
