CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents and Business Owners

**RE: 2022 Local Streets Project
Carpathia Road from Kenaston Boulevard to Corydon Avenue**

Please be advised that Carpathia Road will be closed this summer to accommodate road renewals.

Construction start: Week of July 11, 2022
Approximate Duration: 11 Weeks
Impacted streets / intersections: Carpathia Road

This project will see Carpathia Road renewed to improve pedestrian access and drainage, and to improve driving/riding conditions. Work will include removing the existing asphalt overlay, repairing select concrete and curbs, completing some underground works, and installing a new asphalt overlay.

Phase 1 of the works will include a rehabilitation of the East leg of Carpathia Road from 469 Carpathia to Corydon Ave. Traffic will be restricted to Northbound on Carpathia Rd for approximately 6 weeks.

At least 1 access to each parking lot will be maintained during construction.

Another notice will be sent towards the end of Phase 1 with information regarding the change to Phase 2 of construction.

Garbage and recycling will be picked up as usual on your regular collection days. To avoid confusion, we kindly ask that you ensure that your address is clearly written on your garbage and recycling collection bins.

If you are a business with access, delivery, or loading requirements that we should be aware of, please contact us to discuss your needs.

If you have accessibility concerns, planned special events, known underground appurtenances (such as sprinklers or lighting cables) within three metres of the property line, signs in the boulevard, or any questions or concerns, please contact us to discuss.
