CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents and Business Owners

**RE: 2022 Local Streets Project
Carpathia Road from Kenaston Boulevard to Corydon Avenue**

Please be advised that Carpathia Road will soon close road renewals.

Construction start: Week of September 12, 2022
Approximate Duration: Five weeks, weather dependent
Impacted streets / intersections: Carpathia Road

This project will be done in two phases.

Phase 1 improved pedestrian access and drainage and driving/riding conditions from 469 Carpathia Road to Corydon Avenue. We removed the existing asphalt overlay, repaired select concrete and curbs, completed underground works, and installed a new asphalt overlay.

In Phase 2 we will reconstruct the southern portion of Carpathia Road, from Kenaston Boulevard to 469 Carpathia Road. There will be no vehicle access to this south portion during Phase 2.

Northbound and southbound access to Carpathia Road and the west back lane will be maintained from Corydon Avenue throughout construction.

Garbage and recycling will be picked up as usual on your regular collection days. To avoid confusion, we ask that you ensure that your address is clearly written on your garbage and recycling collection bins.

If you are a business with access, delivery, or loading requirements that we should be aware of, please contact us to discuss your needs.

If you have accessibility concerns, planned special events, known underground appurtenances (such as sprinklers or lighting cables) within three metres of the property line, signs in the boulevard, or any questions or concerns, please contact us to discuss.

Please contact Michael Turko at 204-896-1209 or at mturko@kgsgroup.com with any questions or concerns regarding the work.
