## **CITY OF WINNIPEG CONSTRUCTION NOTICE**

**TO: Residents & Businesses**  
**RE: 2022 Streets Maintenance Preservation Project:**  
**Northbound Donald Street – Osborne Street to Wardlaw Avenue,**  
**Southbound Donald Street – 75m south of Wardlaw Avenue to 175 m East of Osborne Street**

---

Please be advised the above project will soon begin.

Construction start: Early September  
Duration: 8 weeks

Donald Street in both directions will undergo roadway pavement repairs, curb repairs, sidewalk repairs, and placement of asphalt pavement overlay.

During construction, traffic will at times be reduced to one lane in each direction; however, we will be working in stages to minimize disruptions and the directly impacted area. Access to side streets and private properties, as well as pedestrian access and garbage and recycling pick-up will be maintained.

Parking on the east side of the street will be removed from Osborne to Wardlaw, and parking on the west side will be removed from south of Wardlaw to east of Osborne.

Anyone with accessibility needs, moving requirements, planned special events, any underground appurtenances, such as sprinkler systems, lighting cables, etc. within six metres (20 feet) of the street curb line or any other questions are asked to contact Justin Magne from WSP Canada Inc. at (204) 259-5456, during regular working hours or by email at [info.wpg@wsp.com](mailto:info.wpg@wsp.com).

Sincerely,

Justin Magne, P.Eng.
