CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents & Businesses
RE: 2022 Streets Maintenance Preservation Project:
Northbound Kenaston Boulevard – McGillvray Boulevard to Rail Tracks north of Lindenwood Drive

Please be advised the above project will soon begin.

Construction start: Early July 2022
Duration: 10 weeks

The existing pavement on northbound Kenaston Boulevard will be repaired to address deterioration in the roadway. The pavement will be diamond grinded for a smoother ride.

During construction, traffic will at times be reduced to one lane; however, we will be working in stages to minimize disruptions and the directly impacted area. Access to side streets and private properties, as well as pedestrian access will be maintained.

Anyone with accessibility needs, moving requirements, planned special events, any underground appurtenances, such as sprinkler systems, lighting cables, etc. within six metres (20 feet) of the street curb line or any other questions are asked to contact Justin Magne from WSP Canada Inc. at (204) 259-5456, during regular working hours or by email at info.wpg@wsp.com.

Sincerely,

Justin Magne, P.Eng.
