CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: RESIDENTS ADJACENT TO THE NORTHWEST HYDRO CORRIDOR

**RE: 2022 PEDESTRIAN & CYCLING PROGRAM
NEW MULTI-USE PATHWAY – LEILA AVENUE TO CHURCH AVENUE**

Construction on the new multi-use pathway along the Northwest Hydro Corridor has begun.

Construction Start Date: Week of August 3, 2022
Duration: Approximately 12 weeks, weather permitting

Work will include:

- Preparing the site
- Placing a sub-base and base course granular material
- Installing a 4.5 m-wide asphalt path
- Adding accessible crossings at all intersections
- Installing accessible benches along the pathway
- Installing new pathway lighting
- Placing sod and seed as required

This joint project between the City of Winnipeg, Manitoba Hydro, and Trails Manitoba builds on the City's commitment to providing a connected network of pedestrian and cycling infrastructure and closes a gap identified in the City's Pedestrian and Cycling Strategies.

The multi-use path will accommodate multiple user groups, including those cycling, walking, wheeling and using public transit. It will provide a safe, comfortable experience for people of all ages and abilities traveling from Leila Avenue to Church Avenue. This project will also include new pedestrian and cyclist joint use signalized crossings at Leila Avenue, Jefferson Avenue and Inkster Boulevard.

If you have questions about the project please contact Richard Weibel at 204-805-0104, during regular working hours.

Sincerely,

Richard Weibel, C.E.T.
Technology Services Branch
