TO: Residents & Businesses
RE: 2022 Streets Maintenance Preservation Project:
Southbound Kenaston Boulevard – McGillvray Boulevard to Scurfield Boulevard

Please be advised the above project will soon begin.

Construction start: Early July 2022
Duration: 8 weeks

Southbound Kenaston Boulevard will undergo roadway pavement repairs and placement of asphalt pavement overlay.

During construction, traffic will at times be reduced to one lane; however, we will be working in stages to minimize disruptions and the directly impacted area. Access to side streets and private properties, as well as pedestrian access will be maintained.

Anyone with accessibility needs, moving requirements, planned special events, any underground appurtenances, such as sprinkler systems, lighting cables, etc. within six metres (20 feet) of the street curb line or any other questions are asked to contact Justin Magne from WSP Canada Inc. at (204) 259-5456, during regular working hours or by email at info.wpg@wsp.com.

Sincerely,

Justin Magne, P.Eng.
