## CITY OF WINNIPEG CONSTRUCTION NOTICE

**TO: Residents**

**RE: 2022 Local Street Renewal Project – Telfer Street N – St. Matthews Avenue to Ellice Avenue**

---

Please be advised the minor rehabilitation of Telfer Street N from St. Matthews Avenue to Ellice Avenue will soon begin.

Construction start: September 14, 2022  
Duration: 8 weeks

Work will include:

- Roadway pavement repairs
- Curb replacement
- Sidewalk repairs
- Utility and underground infrastructure repairs and adjustments
- Placement of asphalt pavement overlay

During construction, on-street parking will be prohibited, and one lane of two-way local-access traffic will be maintained. At least one intersection, North or South shall be always open. During some portions of the work, the street may be completely closed to traffic and private approaches will not be accessible. In these situations, you will be notified at least 24 hours prior to the disruption of access.

Garbage and recycling will continue to be picked up at regular locations and times. The contractor may relocate bins if required.

Anyone with accessibility needs, moving requirements, planned special events, any underground appurtenances, such as sprinkler systems, lighting cables, etc. within 6 metres (20 feet) of the street curb line or any other questions are asked to contact Andrew Boboski from WSP Canada Inc. at (204) 259-1461, during regular working hours or by email at [andrew.boboski@wsp.com](mailto:andrew.boboski@wsp.com).

We appreciate your patience during construction.

Sincerely,  
**WSP Canada Inc.**
