## CITY OF WINNIPEG CONSTRUCTION NOTICE

**TO: Residents and Business Owners**

**RE: 2022 Local Street and Alley Renewal Program  
Linton Lane from Wexford St to Swann Dr**

---

Please be advised that Linton Lane will be closed this summer to accommodate road renewals.

**Construction start: Week of August 15, 2022**  
**Approximate Duration: 3 weeks**  
**Impacted streets / intersections: Linton Lane**

This project will see Linton Lane renewed to improve access, drainage, and driving conditions. Work will include removing the existing asphalt overlay, completing some underground works and regrading, and installing a new asphalt overlay.

The alley will be closed to traffic during construction.

Garbage and recycling will be picked up on the front street on your regular collection days. To avoid confusion, we ask that you ensure that your address is clearly written on your garbage and recycling collection bins.

If you are a business with access, delivery, or loading requirements that we should be aware of, please contact us to discuss your needs.

If you have accessibility concerns, planned special events, known underground appurtenances (such as sprinklers or lighting cables) within three metres of the property line, signs in the boulevard, or any questions or concerns, please contact us to discuss.

Please contact Michael Turko at 204-896-1209 or at [mturko@ksgsgroup.com](mailto:mturko@ksgsgroup.com) with any questions or concerns regarding the work.

We appreciate your patience during construction and look forward to completion of Linton Lane as part of the 2022 Local Street and Alley Renewal Program.
