CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents and Business Owners

**RE: 2023 Local Street Renewals: Manahan Avenue and Various Locations
(Tender 267-2023)
Beaumont Street from Waterford Bay to McGillivray Boulevard**

Please be advised that Beaumont Street will be under construction this summer to accommodate road renewals and maintenance. Work will include milling of existing asphalt, placement of an asphalt overlay, and minor curb and sidewalk repairs.

Construction start: Summer 2023
Approximate Duration: 7 Weeks
Impacted streets / intersections: Beaumont Street

Work will be staged to maintain access to private approaches as much as possible. We will provide staging information approximately one week prior to the start of construction and will reach out directly to properties that may be impacted by approach or parking lot closures.

If you are a business with access, delivery, or loading requirements that we should be aware of, please contact us to discuss your needs.

If you have accessibility concerns, planned special events, known underground appurtenances (such as sprinklers or lighting cables) within three meters of the property line, signs in the boulevard, or any questions or concerns, please contact us to discuss.

Please contact Steve Penner at 204-896-1209 or at spenner@kgsgroup.com with any questions or concerns regarding the work.

We appreciate your patience while this work is being performed.
Sincerely,

Steve Penner Eng. L.
