We are planning road construction on Eldridge Ave this summer.

Duration: Approximately 8-12 weeks, weather permitting

We will:

- Mill existing asphalt
- Repair sewer infrastructure and pavement
- Adjust manholes/drainage inlets
- Replace damaged sidewalks
- Repave the road with a new asphalt overlay
- Restore the boulevard/ditches
- Install new sidewalk:
 - On the north side of Eldridge Ave from Haney St to Laxdal Rd
 - On the south side of Eldridge Ave from Laxdal Rd to Elmhurst Rd

During construction:

- We will complete one direction/lane of traffic at a time
 - The lane/direction we are working on will be fully closed to traffic
 - Drivers in the affected direction will be required to take an alternate/detour route
 - The unaffected direction of traffic will remain open
- There will be no on-street parking
- We will maintain pedestrian access to all properties
 - Sidewalks may be closed on one side of the street at a time

Please contact me if you have:
