2nd CONSTRUCTION NOTICE

TO: BUSINESSES OF SANFORD STREET
RE: 2024 LOCAL STREET RENEWAL PROGRAM:
SANFORD STREET – SARGENT AVENUE TO WELLINGTON AVENUE

We are planning road construction on Sanford Street from Sargent Avenue to Wellington Avenue this summer.

Construction start: June 12, 2024
Duration: Approximately 6 weeks, weather permitting

We will:

- Repair the concrete pavement and curb
- Construct a sidewalk in the east boulevard
- Adjust manholes / drainage inlets
- Repave the road with an asphalt overlay
- Restore the boulevard

During construction:

- We will complete one lane at a time
- Traffic will be one-way in the unaffected lane
- There will be no on-street parking
- Access to private approaches will be maintained at all times, except if short term closure is required to facilitate construction which will be discussed with the affected property

Please contact me if you have:

- Accessibility needs, access requirements, or moving / delivery requirements
- Underground appurtenances such as sprinkler systems or lighting cables within six metres (20 feet) of the curb
- Planned special events or any questions about the project
