**RE: 2025 LOCAL STREETS RENEWAL PROGRAM -  
KATE ST – FROM ELGIN AVE TO WILLIAM AVE**

---

We are planning road construction on Kate Ave this summer.

**Construction start date:** The week of July 21, 2025  
**Duration:** Approximately 8-12 weeks, weather permitting

We will:

- Repair the sewer and install new catch basins
- Fix sidewalks
- Build a new curb
- Install traffic calming measures such as speed humps and signage
- Excavate and repave the existing roadway
- Restore the boulevard

During construction:

- The street will be closed to traffic
- There will be no on-street parking
- We will maintain pedestrian access to all properties
  - Sidewalks may be closed one side of the street at a time

Please contact me if you have:

- Accessibility needs
- Access and delivery requirements
- Planned special events
- Underground appurtenances such as sprinkler systems or lighting cables within six metres (20 feet) of the curb
- Questions about the project

*NOTE: New topsoil and sod may be placed on the boulevard as part of this project. While the contractor will maintain the turf for about a month or so, we do not maintain residential boulevards on an ongoing basis.*
