This notice is to inform you of upcoming asphalt paving operations on **Eldridge Avenue**, scheduled to take place in two phases. The paving dates are **weather-dependent** and planned to occur during the following two phases:

- **Phase 1 Closure: Elmhurst Road to Laxdal Street (including the Laxdal / Eldridge intersection)**
 - Start: Tuesday (August 26) at 5:00 PM.
 - *The contractor will be applying oil to the street at this time. We advise all residents **not to drive or walk in** the oil once applied.*
 - End: Wednesday (August 27) late evening
- **Phase 2 Closure: Laxdal Street to Haney Street**

 - **End:** Friday (August 28) evening

During these times, Eldridge Avenue will be **closed to all through traffic** in the affected areas.
