2nd CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES OF GILLIES CRESCENT

RE: 2025 LOCAL STREETS RENEWAL PROGRAM - BAYVIEW PL AND VARIOUS OTHER LOCATIONS

The road reconstruction on Gillies Crescent between Hatcher Road and Hatcher Road will begin soon.

Construction start window: The week of August 25, 2025
Duration: Approximately 10 weeks, weather permitting

We will:

- Reconstruct the roadway with asphalt pavement
- Repair and adjust underground infrastructure
- Replace concrete curbs
- Replace the street lights
- Restore driveways and boulevards

During construction:

- The road will be closed to through traffic except for emergency vehicles
 - Vehicles will be required to park on a nearby street during construction
- We will maintain pedestrian access to all properties and limited access to private approaches
- Garbage, recycling collection location and days will not change
 - The contractor will relocate the bins from driveways to Hatcher road. You must write your address on your bins to ensure the same bin is returned after each collection
- Those with EV's that normally charge at home, may have to use alternate charging locations when the street is closed and access to your property is not available. Alternate charging locations can be seen by using your EV's charging station search, location and mapping functions

Please contact me if you have:

- Accessibility needs
- Access and delivery requirements
- Planned special events
- Underground appurtenances such as sprinkler systems or lighting cables within six metres (20 feet) of the curb
- Questions about the project

NOTE: New topsoil and sod may be placed as part of this project. While the contractor will maintain the turf for about a month or so, we do not maintain residential boulevards on an ongoing basis.

You can reach me at 204-259-1591 or elmor.maniebo@wsp.com

Sincerely,

Elmor Maniebo
