PRE-CONSTRUCTION NOTICE

TO: RESIDENTS OF LANARK STREET
RE: 2025 LOCAL STREET RENEWAL PROGRAM: LANARK STREET FROM MATHERS AVENUE TO TAYLOR AVENUE

We are planning road construction on Lanark Street from Mathers Avenue to Taylor Avenue this summer.

We will:

- Repair the concrete pavement, sidewalk and replace damaged curb sections
- Adjust manholes / drainage inlets
- Repave the road with an asphalt overlay
- Restore the boulevard

During construction:

- The street will be closed except for local access
 - We will complete one lane at a time
 - The unaffected lane will remain open
- There will be no on-street parking

Please contact me if you have:

- Accessibility needs, access requirements, or moving / delivery requirements
- Underground appurtenances such as sprinkler systems or lighting cables within six metres (20 feet) of the curb
- Planned special events
- Any questions about the project

You can reach me at 204-928-8431 or blair.cockrell@aecom.com.

We will contact you again two weeks before construction starts.

Sincerely,
