2nd CONSTRUCTION NOTICE

TO: RESIDENTS OF GLEN AVENUE

RE: 2026 LOCAL STREETS RENEWAL PROGRAM – GLEN AVENUE FROM KILLARNEY STREET TO WEST END OF ROAD

We are planning road construction on Glen Avenue this summer.

Construction start date: The week of August 24, 2026
Duration: Approximately 4-5 weeks, weather permitting

We will:

- Repair the concrete roadway
- Repair concrete curbs
- Repair sidewalks
- Repave the road with asphalt
- Regrade the boulevards

During construction:

- Traffic on Glen Avenue will be reduced to one-lane and there will be no on-street parking allowed
- Access to private approaches will be limited at times
- We will maintain pedestrian access to all properties
 - Sidewalks may be closed on one side of the street at a time
- Garbage, recycling and yard waste may be placed at the usual place and time. The Contractor will be responsible for ensuring that all scheduled collections are completed

Please contact me if you have:

- Accessibility needs
- Access and delivery requirements
- Planned special events
- Underground appurtenances such as sprinkler systems or lighting cables within six metres (20 feet) of the curb
- Questions about the project

NOTE: New topsoil and sod may be placed on the boulevard as part of this project. While the contractor will maintain the turf for about a month or so, we do not maintain residential boulevards on an ongoing basis.

You can reach me at 431-388-6411 or james.kennedy@stantec.com.

Sincerely,

James Kennedy, P. Eng.
