**RE: CONCORDIA AVENUE MULTI-USE PATHWAY – NORTHEAST PIONEERS GREENWAY  
(GATEWAY RD) TO MONCTON AVENUE**

---

We are planning construction on a new multiuse pathway along South boulevard of Concordia Avenue this summer.

**Construction start window: August, 2026**  
**Duration: Approximately 8-10 weeks, weather permitting**

We will:

- Upgrade and install transit stops
- Construct new asphalt multi-use path
- Remove existing sidewalk and replace it with a new multi-use pathway (as required)
- Install new pedestrian crossing at Concordia Ave and Gateway Rd
- Restore the boulevard

During construction:

- The lane we are working in will be closed to traffic intermittently
  - One lane will be closed at a time
  - The unaffected direction of traffic will remain open
- There will be no on-street parking
- We will maintain pedestrian access to all properties
  - Sidewalks will be closed on one side of the street at a time

Please contact me if you have:

- Accessibility needs
- Access and delivery requirements
- Planned special events
- Underground appurtenances such as sprinklers or lighting cables within six metres (20 feet) of the curb
- Questions about the project
