2nd CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES OF LONDON STREET

RE: 2026 LOCAL STREETS RENEWAL AND ACTIVE TRANSPORTATION PATH – LONDON STREET MULTI-USE PATHWAY – CONCORDIA AVENUE TO KIMBERLEY AVENUE

Construction on a new multi-use pathway along East Boulevard of London Street will begin soon.

Construction start window: Week of July 27, 2026
Duration: Approximately 4-5 weeks, weather permitting

We will:

- Remove existing sidewalk and replace it with a new multi-use pathway
- Restore the boulevard

During construction:

- The traffic lane adjacent to the proposed work will be closed intermittently
 - One lane will be closed at a time
 - The unaffected direction of traffic will remain open
- There will be no on-street parking
- We will maintain pedestrian access to all properties
 - The Eastside Sidewalk will be closed for the duration of the project

Please contact me if you have:

- Accessibility needs
- Access and delivery requirements
- Planned special events
- Underground appurtenances such as sprinklers or lighting cables within six metres (20 feet) of the curb
- Questions about the project

NOTE: New topsoil and sod will be placed on the boulevard as part of this project. While the contractor will maintain the turf for about a month or so, we do not maintain residential boulevards on an ongoing basis.

You can reach me at richard.hawkins@wsp.com or 204-259-1566

Sincerely,

Richard Hawkins
