

December 4, 2024

Tender No.: 675-2024

CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES AT PORTAGE AVENUE AND MAIN STREET INTERSECTION

RE: PORTAGE AVENUE AND MAIN STREET PEDESTRIAN OPENING PROJECT

Construction to reopen Winnipeg's iconic Portage and Main intersection to pedestrian traffic will officially start this week.

Construction start window: Week of December 4, 2024
Duration: Approximately 6 months

Pre-construction traffic signals and underground work at the intersection concluded late last week.

Crews are expected to install the first long-term lane closures as early as tomorrow (Wednesday, December 4). Sewer repairs and demolition work on the existing pedestrian barricades will follow in the coming days.

Traffic will be restricted at various locations throughout the intersection over the next six months.

Traffic restrictions expected this week include:

- Main Street
 - Continued closure of the northbound curb lane at Portage Avenue
 - New closure of the southbound curb lane between Portage Avenue and Pioneer Avenue
- Portage Avenue
 - New closure of the eastbound curb lane between Fort Street and Main Street
- Portage Avenue E
 - Continued closure of eastbound curb lane between Main Street and Westbrook

Please note:

- A permanent no-right-turn restriction is now in place from northbound Main Street onto Portage Avenue E. This accompanies the existing left-turn restriction from southbound Main.

**Public Works
Travaux publics**

Additional lane / sidewalk closures will occur throughout the project timeframe. Refer to the City's Lane Closure Map to keep up-to-date on changing lane closures in the intersection by visiting winnipeg.ca/laneclosures.

We encourage Winnipeggers to consider alternate routes and plan for delays through the area.

Please contact Ali Campbell, P.Eng if you have questions about the project. Ali can be reached at 204-990-8367 or acampbell@dillon.ca .

We will reach out to properties directly if we will be impacting their access.

Sincerely,

DILLON CONSULTING LIMITED

David Wiebe P.Eng.
