Invitation to Meet for Project Overview**

The City of Winnipeg is planning to reconstruct the following roadways:

- Eastbound Corydon Avenue from Waterloo Street to Cambridge Street
- Corydon Avenue (in both directions) from Cambridge Street to Stafford Street
- Stafford Street from Corydon Avenue to Pembina Highway
- Taylor Avenue from Wilton Street to Pembina Highway

This project will be constructed in multiple phases starting in Spring 2020 with completion in Fall 2023. You are invited to a meeting to learn more about the project, overall timelines, and construction staging plans. We would also like to discuss your parking and loading needs, planned events, and any planned private construction or renovations. This information will help us stage construction and allow us to make accommodations where necessary. The project team will be present to answer any questions you may have and look forward to meeting with you.
