## CITY OF WINNIPEG CONSTRUCTION NOTICE

**RE: 2021-2022 Regional Street Renewal Program – Wall Street Reconstruction, St. Matthews Avenue to Notre Dame Avenue**

---

Please be advised road construction project on Wall Street from St. Matthews Avenue to Notre Dame Avenue as part of the 2019 – 2023 Erin/Wall/Sargent Pavement Renewals Project is scheduled to resume this summer. In 2021, Wall Street was reconstructed from St. Matthews Avenue to Richard Avenue. In this summer, Wall Street will be reconstructed from Richard Avenue to Notre Dame Avenue.

**Construction start: May 2022**

**Duration: 10 - 12 Weeks**

**Impacted streets and intersections: Wall Street between Richard Avenue to Notre Dame Avenue**

Work on Wall Street will include:

- full excavation of the existing roadway
- construction of a new asphalt pavement structure
- full excavation and construction of concrete approaches
- sidewalks reconstruction
- boulevard regrading

We anticipate work from Richard Avenue to Notre Dame will start in the spring of 2022. A second notice will be delivered 1 – 2 weeks prior to work starting. We expect the work to be completed by the beginning of August 2022.

During construction, on-street parking will be prohibited. Access to businesses/residences will be maintained along with pedestrian access.

We recognize this project will cause some inconvenience and apologize for the disruption.

If you have any concerns regarding access off Wall Street, such as large truck access, hours of operation, and ability to close approaches to expedite construction or any accessibility needs, please call us at 204-977-8370 or email [WPGProject19C10@morrisonhershfield.com](mailto:WPGProject19C10@morrisonhershfield.com).

Information and updates are also available online at <https://winnipeg.ca/publicworks/construction/projects/ErinWallSargent.stm>.

We appreciate your patience during construction and look forward to the new roadway in 2022.
