CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: BUSINESSES / RESIDENTS

**RE: 2021 HENDERSON HIGHWAY PAVEMENT REHABILITATION –
SOUTHBOUND BETWEEN McLEOD AVENUE TO LEIGHTON AVENUE**

Please be advised that southbound Henderson Highway from McLeod Avenue to Leighton Avenue will soon begin.

Construction start: May 17, 2021

Duration: 10 weeks

Impacted Streets and Intersections: Henderson Highway, McLeod Avenue, Leighton Avenue, Mossdale Avenue, and Frasers Grove

Henderson Highway will undergo a pavement rehabilitation that includes milling existing asphalt, improving drainage, repairing concrete joints and slabs, repairing sidewalk and curbs as required, and installing a new asphalt overlay.

Traffic and Access Management

- Construction will occur one lane at a time.
 - One lane of traffic will be closed at all times.
 - A second lane will be closed between 9:00 AM and approximately 8:00 PM to allow the contractor additional workspace.
 - Two lanes of traffic will be maintained overnight and during the morning peak traffic period.
- Access to side streets and private approaches will be maintained as much as possible.
 - If access cannot be maintained, the contractor will provide notification of the interruption and coordinate alternative parking and access options, as required.

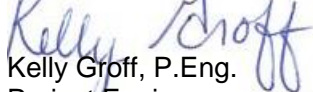

General notes

- Garbage and recycling collection will continue to be picked up at regular times and locations.
- If you are a business with access, delivery or loading requirements that we have not been made aware of, please contact us to discuss your needs.
- We also ask those with any accessibility concerns, special events, known underground appurtenances, such as sprinklers or lighting cables within 6m of the Watt Street curb line, or questions or concerns regarding construction to contact Kelly Groff at 204-259-1527 or Kelly.Groff@wsp.com.
- Additional information on this Regional Renewal project is available online at <https://winnipeg.ca/publicworks/construction/projects/HendersonRehab.stm>

We appreciate your patience during construction and look forward to a new Henderson Highway in 2021.

Sincerely,

WSP Canada Inc.

Kelly Groff, P.Eng.
Project Engineer
