## CITY OF WINNIPEG PRE-CONSTRUCTION NOTICE

**TO: Businesses**  
**RE: 2021 King Edward Pavement Renewals Project: King Edward Street – Hyde Avenue to Logan Avenue**

---

Please be advised the above project is scheduled to begin in Summer 2021.

Construction start: Late June 2021  
Duration: 8 weeks

King Edward Street will undergo a complete road resurfacing and concrete repairs to the roadway, curb, and sidewalks.

During construction, traffic will be reduced to one lane in each direction; however, we will be working in small stages to minimize disruptions and the directly impacted area. Access to side streets and private properties will be maintained. Staging information will be available online in advance.

Parking will be minimally impacted, as we will maintain parking on side streets (and parking on King Edward Street from Hyde Avenue to Logan Avenue is not permitted under normal conditions). Pedestrian access will be maintained throughout the duration of the project.

Anyone with accessibility needs, moving requirements, planned special events, any underground appurtenances, such as sprinkler systems, lighting cables, etc. within six metres (20 feet) of the street curb line or any other questions are asked to contact Lissa VanDorp from WSP Canada Inc. at (204) 259-1538, during regular working hours or by email at [info.wpg@wsp.com](mailto:info.wpg@wsp.com).

You will receive another letter approximately one week prior to construction with more information about timing and access.

Updates will also be posted online at:  
<https://winnipeg.ca/publicworks/construction/projects/KingEdwardRehabilitation.stm>

Sincerely,

Lissa VanDorp, P.Eng.
