## CITY OF WINNIPEG CONSTRUCTION NOTICE

**TO: Residents, Businesses Owners and Tenants**  
**RE: Lagimodiere Twin Overpass – Bridge Rehabilitation and Roadwork**

---

We will soon begin construction on the Lagimodiere Twin Overpass at Concordia Avenue project.

The project includes:

- Major renovation of the overpass bridge structures to preserve and extent their life
- Roadwork on Lagimodiere Boulevard between Almey Avenue and Grassie Boulevard
- Roadwork on Concordia Avenue between Molson Street and Peguis Street
- New pathway construction near the overpass

The work will occur over two years.

### **Year 1 (2026)**

- January 2026 – work on southbound bridge begins
- April 2026 – bridge work continues, southbound Lagimodiere Boulevard roadwork begins
- November 2026 – southbound bridge and roadwork completed

### **Year 2 (2027)**

- January 2027 – work on northbound bridge begins
- April 2027 – bridge work continues, northbound Lagimodiere Boulevard roadwork begins
- November 2027 – northbound bridge and roadwork completed

Throughout construction:

- We will maintain pedestrian and cycling access and Transit service
- We will reduce traffic on Lagimodiere Boulevard and Concordia Avenue to one lane per direction
- We will close the interchange ramps for approximately 6 – 8 weeks for pavement repairs
  - These closures may impact your ability to connect between Lagimodiere and Concordia

Please contact me if you have:

- Accessibility needs
- Access and delivery requirements
- Planned special events
- Underground appurtenances such as irrigation systems or lighting cables within six meters (20 feet) of the curb.

We appreciate your patience during construction and look forward to improvements at this critical connection in our city.

Sincerely,

Brad Neirinck, P.Eng.
