## CITY OF WINNIPEG PRE-CONSTRUCTION NOTICE

**TO: BUSINESSES / RESIDENTS**

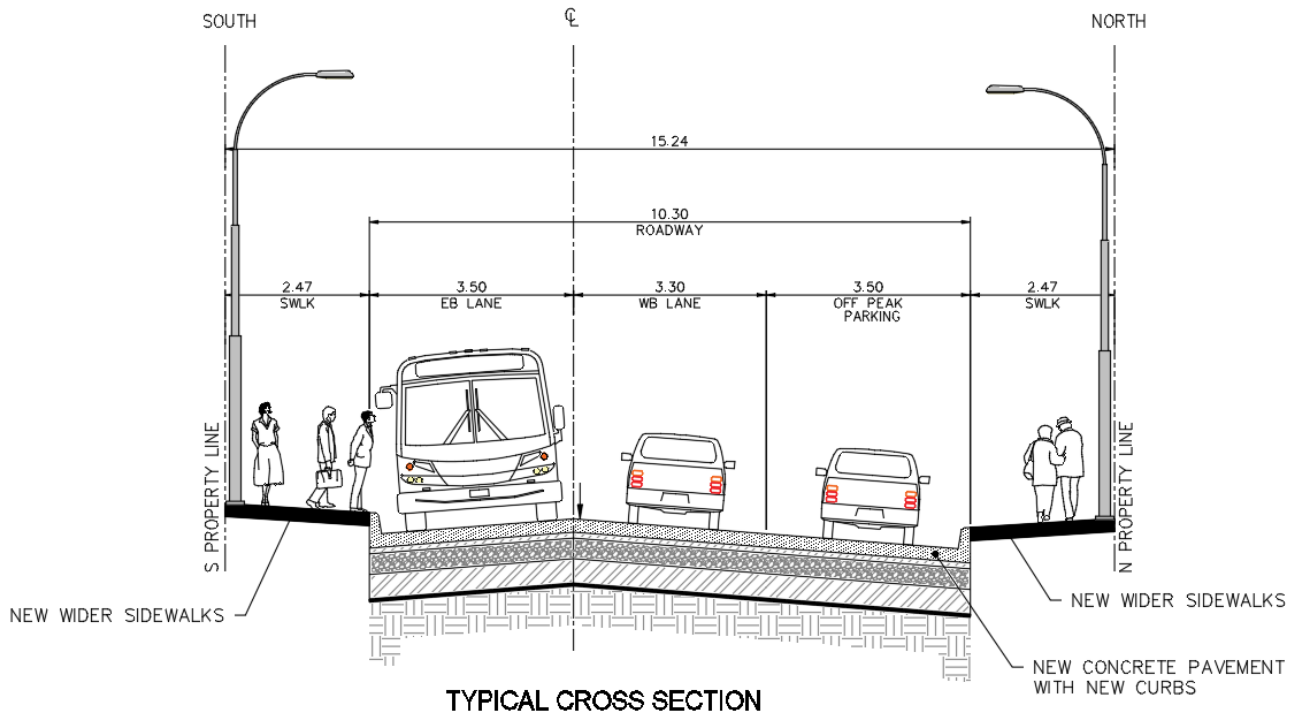

**RE: 2023 JOHNSON AVENUE WEST – PAVEMENT AND WATER MAIN RENEWALS**

Please be advised Johnson Avenue West from Henderson Highway to Levis Street is scheduled for a pavement and water main renewal project in Spring 2023.

Construction start: May 2023  
Duration: 18 weeks

We will start work on Johnson Avenue West from Henderson Highway to Levis Street in May 2023. We will renew the watermain, improve drainage, reconstruct the roadway, widen the sidewalks, and replace traffic signals and streetlights.

To accommodate the new sidewalks, we will permanently remove one eastbound traffic lane. This lane is currently used mostly for parking. Parking will remain on the north side of Johnson Avenue West. See sketch below for a rendering of the future road cross section.

### Traffic impacts:

- Johnson Avenue West will be fully closed to traffic from Henderson Highway to Levis Street
  - We anticipate opening one lane of westbound traffic by September
- One sidewalk will be maintained throughout

**For more information on this major construction project:**

[March 7, 2023]

- Parking on Johnson will be removed for the duration of the project
- Transit will be rerouted; we will provide more information in the next notice

Additional watermain work will also take place on:

1. Brazier Street from Gordon Avenue to Chalmers Avenue
2. Levis Street from the Poplar Avenue/Johnson Avenue W alley to Watt Street
3. Watt Street from Chalmers Avenue to mid-block between Thames Avenue and Chalmers Avenue

Work on Johnson Avenue is expected to take about 18 weeks. The additional watermain work on Brazier St, Levis St, and Watt St is expected to take up to an additional five weeks to complete but may happen at the same time as work on Johnson Avenue West.

We will issue a second notice approximately one week prior to construction. Meanwhile, if you have accessibility concerns, special access requirements, planned special events, known underground appurtenances such as sprinklers or lighting cables within 6m of the Johnson Avenue West curb line, or any other questions regarding this construction, please contact Kelly Groff at [Kelly.Groff@wsp.com](mailto:Kelly.Groff@wsp.com). WSP Canada Inc. (WSP) is the City's contract administrator for this project.

Additional information on this Regional Renewal project is available online at <https://legacy.winnipeg.ca/publicworks/construction/projects/MunroeWattJohnson.stm>

We appreciate your patience during construction and look forward to a new Johnson Avenue West in 2023.

Sincerely,  
**WSP Canada Inc.**

Kelly Groff, P.Eng.  
Lead Transportation Engineer
