

Taché Promenade NOTICE OF CONSTRUCTION

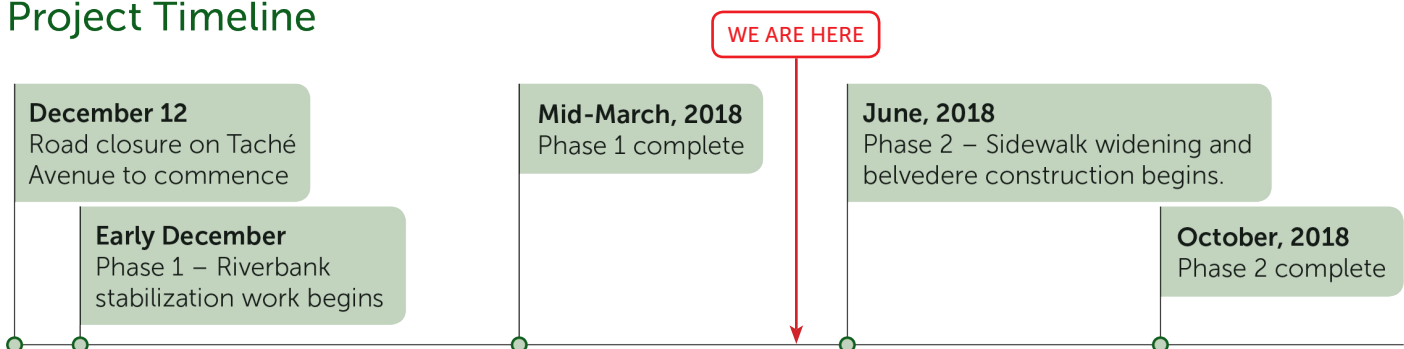

Update May, 2018

The second and final phase of construction of the Taché Promenade project will begin on May 28, 2018, and is expected to be complete in October 2018. During this time, construction will continue on sidewalk widening, the Belvedere lookout structure, a public art feature, and landscaping.

Throughout the summer, the southbound lane of Taché Avenue and the west sidewalk will be closed between Provencher Blvd. and Despins St.. Additionally, a full closure of Taché Avenue in both directions between Avenue de la Cathédrale and Despins St. will be required for crane work starting on May 28, 2018, until early July, 2018. Pedestrian access will be maintained on the east sidewalk.
