

Adult Nuisance Mosquito Control Program continues tonight

Yesterday evening, the City of Winnipeg was unable to fog for adult nuisance mosquitoes in any of the scheduled Insect Management Areas last night, August 8, 2022, due to high wind speeds. The City of Winnipeg will continue its adult nuisance mosquito control program tonight at 9:30 p.m., weather permitting.

Crews will treat in the following IMAs:

- IMA 10 (North St. Boniface, Tissot, Central St. Boniface, Dufresne, Mission Industrial, Holden)
- IMA 11 (Glenwood, Norwood East, Norwood West)
- IMA 12 (Archwood, Maginot, Niakwa Park, Stock Yards, Windsor Park)
- IMA 13 (Alpine Place, Elm Park, Lavalee, St. George, Varennes, Worthington)
- IMA 14 (Kingston Crescent, Minnetonka, Norberry, Pulberry, Victoria Crescent)
- IMA 15 (Niakwa Place, Southdale, Southland Park, Symington Yards, The Mint)
- IMA 16 (Fraipont, Island Lakes, Royalwood, Sage Creek)
- IMA 17 (Dakota Crossing, Meadowood)
- IMA 18 (Maple Grove Park, Normand Park, River Park South, St. Vital Centre, Vista)
- IMA 19 (St. Vital Perimeter South)
- IMA 21 (Agassiz, Cloutier Drive, Fort Richmond, Montcalm, University)
- IMA 25 (Beaumont, Crescent Park, Maybank, Parker, Point Road, Wildwood)
- IMA 50 (Jefferson, Kildonan Park, Seven Oaks)
- IMA 51 (Amber Trails, Leila North, Riverbend, Rivergrove, Rosser - Old Kildonan, West Kildonan Industrial)

Adult mosquito treatments will take place until 6:30 a.m. tomorrow.

Adult mosquito control occurs between 9:30 p.m. and 6:30 a.m. and will not happen when temperatures are below 13 degrees Celsius and/or wind speeds are not conducive. The insecticide DeltaGard® 20EW will be used in accordance with federally approved label directions and will be applied by licensed applicators. This insecticide has been approved for use in Canada by Health Canada's Pest Management Regulatory Agency.

Register for notifications

Public Service Announcements (PSAs) will be released daily at least eight hours in advance of adult mosquito control. These PSAs will identify which areas are scheduled for treatment that night, weather permitting. The City offers an automated telephone and email notification system. Residents

who register for this service will receive daily phone or email notifications for adult mosquito control activities. Residents can visit the [City of Winnipeg –Notification Registration](#) or [contact 311](#).

Buffer zones

Residents can apply for a 90-metre buffer zone in order to exempt their property during an adult nuisance mosquito control program. Those who want to register must provide identification that ties the registrant to the address being registered for a buffer zone. A photograph or scanned copy of a document such as a driver's licence or utility bill will suffice as acceptable identification proving primary residence.

All buffer zones will be respected. Crews will ensure that the sprayer is not treating within a 90-metre radius of a registered property on the front street, side street, and rear lane.

Buffer zone applications must be received through one of the following options:

- [311 online service request](#)
- Email to 311@winnipeg.ca
- Fax to 311
- In writing to the Insect Control Branch at 3 Grey Street, Winnipeg MB R2L 1V2
- In-person at 1539 Waverley Street.

Do your part

Property owners are also encouraged to eliminate standing water on their properties by taking the following steps:

- Dump It! - containers
- Drain It! - eavestroughing or unused containers
- Cover It! - rain water collection containers
- Fill It! - low-lying areas
- Treat It! - biological larvicide
