

Tree pest caterpillar control program suspended

Our tree pest caterpillar program will not operate for the next 1-2 weeks.

We are shifting our crews to focus on mosquito larviciding.

We will issue another notice when we expect to resume tree pest caterpillar control.

Buffer zones

Buffer zones make it so we can't apply Btk within 30 metres of a specific property.

Residents can apply for a buffer zone adjacent to their principal residence. Applications must include a letter and photo ID linking you to the address in question. They can be submitted:

- Via an [online service request](#)
- By emailing 311@winnipeg.ca
- By fax to 311
- In writing to the Insect Control Branch at 3 Grey Street, Winnipeg MB R2L 1V2
- In-person at [1539 Waverley St.](#)

We require a minimum 72-hour turnaround time.

Register for notification

We provide an automated daily telephone and email notification system for insect control activities. Residents can [register online](#) or by [contacting 311](#).
