## IF RENEWING

*We are asking all organized programs to submit a listing of fields they desire on their sports field allocation permits. Please see the back of this form with space for written request. We require the park/school/center location name, type of sports field at said location and Athletic Field Asset ID Number. This practice is to track usage based on demand, and potentially open slots at locations that are not used regularly. Renewal of a location is based on both allocation history and the participation of the athletic field maintenance program. If the reverse side of this sheet is not completed, the form will be sent back to the user group for completion.*

Please refer to the site below to determine the individual Athletic Field Asset ID Number for each field you are applying for: [Parkmaps.winnipeg.ca](http://Parkmaps.winnipeg.ca)
