

Welcome to the Happyland Park Information Session

- The information boards presented today provide assessments and considerations for improvement opportunities at Happyland Park.
- The intent of today's Information Session is to obtain feedback and input on what activities park-users enjoy at Happyland Park and what improvements they would like to see.
- Please feel free to explore the presentation boards provided, ask questions to City staff and provide feedback directly on each board and by filling out our questionnaire.
- Feedback gathered today will be shared by email to those attending the Information Session, as well as on the City of Winnipeg web site.
- Project is subject to 2017 capital budget approval.

Thank you for your attendance and feedback.
