TO: BUSINESSES/RESIDENTS

Dear Sir/Madam:

UPDATE RE: CITY OF WINNIPEG 2018 INDUSTRIAL STREETS RENEWAL PROGRAM CHEVRIER BOULEVARD – WAVERLEY STREET TO PEMBINA HIGHWAY / CHEVRIER WALK/BIKE IMPROVEMENTS PROJECT

Traffic Detours - October 1 to 4, 2018

We wish to advise you that there will be temporary changes to traffic operations on Chevrier Boulevard from October 1 to 4, 2018 to facilitate construction adjacent to two rail lines. There will be several detours in place throughout the week to accommodate the temporary closure of the two rail crossings (see attached). Access will be maintained to all businesses. Signage will be in place throughout the week to communicate these temporary changes. There will be some transit service modifications to maintain service in the area. Please visit winnipegtransit.com for more information.

Access to your property throughout the week will be provided as follows:

Monday, October 1	access to your property will only be available via Waverley Street
Tuesday, October 2	access to your property will only be available via Waverley Street
Wednesday, October 3	access to your property will only be available via Waverley Street, or Hamelin Street from Clarence Avenue
Thursday, October 4	access to your property will only be available via Waverley Street, or Hamelin Street from Clarence Avenue
Friday, October 5	one lane of westbound traffic from Pembina to Waverley will be restored, no closures or detours

Please note, an additional rail crossing closure at the rail line near Hudson St is scheduled for a later date. This closure is unrelated to the Industrial Street Renewal Program and is not coordinated by WSP.

Asphalt Paving – October 9 to 10, 2018

Mainline asphalt paving from Waverley to the west leg of Trottier Bay is scheduled for Tuesday, October 9 and Wednesday, October 10, 2018. Access to your approach may be impacted for approximately two hours while the new pavement cools.

We apologize in advance for any disruption this may cause and thank you for your patience. If you have any questions or concerns, please contact Kelly Groff from WSP Canada Group Limited at Kelly.Groff@wsp.com or 204-259-1527, during regular working hours.

Sincerely,

WSP Canada Group Limited

Kelly Groff, P.Eng
