

PUBLIC OPEN HOUSE

DOWNTOWN BIKE LANE SYSTEM

CONNECTING THE FORKS TO THE EXCHANGE DISTRICT

(FORT ST., GARRY ST. & THE FORKS TO ASSINIBOINE AVE. CONNECTION)

You are invited to attend an Open House about developing a plan to upgrade the existing bike lanes on Fort Street and Garry Street as well as an improved connection between the Assiniboine Avenue protected bicycle lanes and the new bicycle lanes connecting to The Forks.

This event is the beginning of the public engagement process for the project and will allow you to share your thoughts on the future design for the project with the planners and engineers. We want to meet with and learn from you about what is important to you as we move forward with the project, before beginning to design the specific plans.

We Want to Hear From You

Drop-in format (come and go at any point). Learn about the purpose of the study. View presentation boards and talk with project team members. Provide your input and feedback.
