ATTENTION: BUSINESS OWNERS/RESIDENTS

**Project No: 60561120 (330), City File No. 16-E-06**

**Regarding: City of Winnipeg McDermot Avenue and Bannatnye Avenue Adjustable Protected Bike Lanes Bid Opportunity No. 59-2018**

We wish to advise you that the above-noted bike lane project is expected to start in early June 2018. The project will be completed in three stages:

- Stage 1 will include construction of the adjustable protected bike lanes on McDermot Avenue and Bannatnye Avenue between Adelaide Street and Main Street, and back-in angled parking on Adelaide Street between William Avenue and McDermot Avenue.
- Stage 2 will include construction of the adjustable protected bike lanes and back-in angled parking on McDermot Avenue and Bannatnye Avenue between Main Street and Waterfront Drive.
- Stage 3 will include construction of the adjustable protected bike lanes on McDermot Avenue and Bannatnye Avenue between Furby Street and Adelaide Street, all works on Ellen Street between Bannatnye Avenue and McDermot Avenue, and all works on Hargrave Street between Bannatnye Avenue and McDermot Avenue.

The project is expected to take approximately 12 weeks to complete, for project limits please see map on the back.

During construction a minimum of one lane of traffic shall be maintained at all times. Loading zones and on-street parking will be maintained to the maximum extent possible. Access to private approaches and parking lots will be maintained to the maximum extent possible. Any interruptions to access will be reviewed with the applicable property owner prior to the disruption.

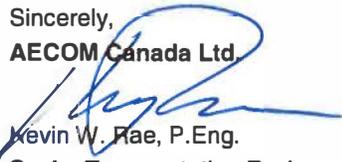

The work will include: removal of the existing asphalt overlay in certain areas and construction of a new asphalt overlay, construction of new curb bump outs and raised bike lanes at certain bus stops, installation of new pre-cast curbs and end treatments and placement of new pavement markings for the bike lanes and new parking stalls.

For more information about the West Alexander to East Exchange Corridor please visit [www.winnipeg.ca/walkbikeprojects](http://www.winnipeg.ca/walkbikeprojects). The Contractor for this project will be the Darco Group Ltd. emergency phone number: (204) 781-2931.

We recognize the fact that this project will cause you inconvenience and disruption during its course and apologize for this. Those with accessibility needs, moving requirements, social functions, any underground appurtenances such as sprinkler systems, lighting cable, etc. within 6.0 m (20 feet) of the street curb line or general concerns and questions regarding the project, are asked to contact the undersigned at (204) 928-8430. Your patience during construction will be much appreciated.

Sincerely,

AECOM Canada Ltd.

  
Kevin W. Rae, P.Eng.

Senior Transportation Engineer
