

# PUBLIC OPEN HOUSE

## WEST ALEXANDER PEDESTRIAN AND CYCLING CORRIDOR

CONNECTING MCPHILLIPS STREET TO SHERBROOK STREET

You are invited to attend an Open House for the West Alexander Pedestrian and Cycling Corridor to develop a plan for a safe and convenient cycling connection between McPhillips Street and Sherbrook Street.

This event is the beginning of the public engagement process for the project and will allow you to share your thoughts on the future design for the project with the planners and engineers. We want to meet with and learn from you about what is important to you as we move forward with the project, before beginning to design the specific plans.

### We Want to Hear From You

Drop-in format (come and go at any point). Learn about the purpose of the study. View presentation boards and talk with project team members. Provide your input and feedback.
