

key issues and opportunities

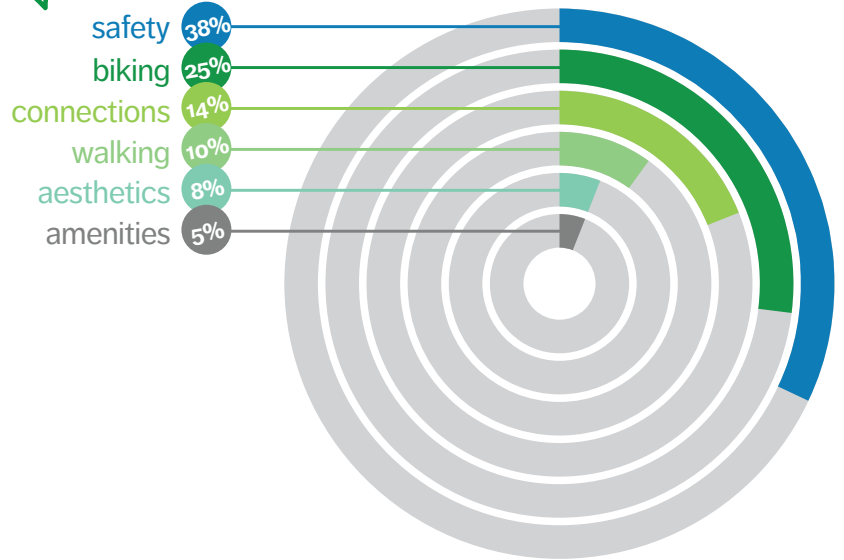

567 unique markers were placed on a map by respondents identifying a variety of **issues**

OBSERVATIONS

The most common marker themes were safety (215) and biking (140).

Issues were identified throughout the corridor, with higher concentrations at major intersections such as Portage Avenue and at the connections at the north and south ends.

MARKER BREAKDOWN

- Safety: 215 markers
- Biking: 140 markers
- Connections: 82 markers
- Walking: 55 markers
- Aesthetics: 44 markers
- Amenities: 31 markers
