

Invitation to participate in a survey

Pembina Highway Speed Limit Review

The speed limit on Pembina Highway between the Perimeter Highway and the La Salle River Bridge will be reviewed in 2018.

Before conducting the review, the City is gathering input from residents to help determine issues within the speed study area that should be considered when collecting data and analyzing results.

Please complete an online survey.

The survey will be open from April 9 to April 30, 2018.
