

**Minutes – Standing Policy Committee on Infrastructure Renewal and Public Works –
July 7, 2020**

REPORTS

**Item No. 19 Traffic Study – Roblin Boulevard at Municipal Road
(Charleswood-Tuxedo-Westwood Ward)**

STANDING COMMITTEE RECOMMENDATION:

The Standing Policy Committee on Infrastructure Renewal and Public Works concurred in the recommendation of the Assiniboia Community Committee and directed the Winnipeg Public Service to conduct a traffic study to determine if an overhead flashing beacon pedestrian corridor is warranted at Roblin Boulevard at Municipal Road and report back to the Standing Committee at its February, 2021 meeting.

**Minutes – Standing Policy Committee on Infrastructure Renewal and Public Works –
July 7, 2020**

DECISION MAKING HISTORY:

Moved by Councillor Sharma,

That the recommendation of the Assiniboia Community Committee be concurred in and the Winnipeg Public Service be directed to report back on the matter to the February, 2021 meeting of the Standing Policy Committee on Infrastructure Renewal and Public Works.

Carried

COMMUNITY COMMITTEE RECOMMENDATION:

On June 3, 2020, the Assiniboia Community Committee passed the following motion:

WHEREAS there has been a significant increase in both eastbound and westbound traffic on Roblin Boulevard as a result of the Ridgewood West development;

AND WHEREAS it is difficult for pedestrians to cross Roblin Boulevard at Municipal Road to access bus stop # 60564 with the limited time provided by the traffic light at the intersection;

AND WHEREAS there is a Royal Canadian Legion located at 6003 Roblin Boulevard with over 650 members, many of which utilize public transit;

THEREFORE BE IT RESOLVED that the Standing Policy Committee on Infrastructure Renewal and Public Works be requested to direct the Winnipeg Public Service to conduct a traffic study to determine if an overhead flashing beacon pedestrian corridor is warranted at Roblin Boulevard at Municipal Road.
