

Pacific Avenue 4R Depot

Coming in 2016

In October 2011, City Council approved a comprehensive waste management plan, designed to keep more than half of our garbage out of the landfill by giving residents more ways to reduce, reuse, and recycle.

The first 4R Winnipeg Depot is expected to open in late 2015 at the Brady Road Resource Management Facility.

DEPOT

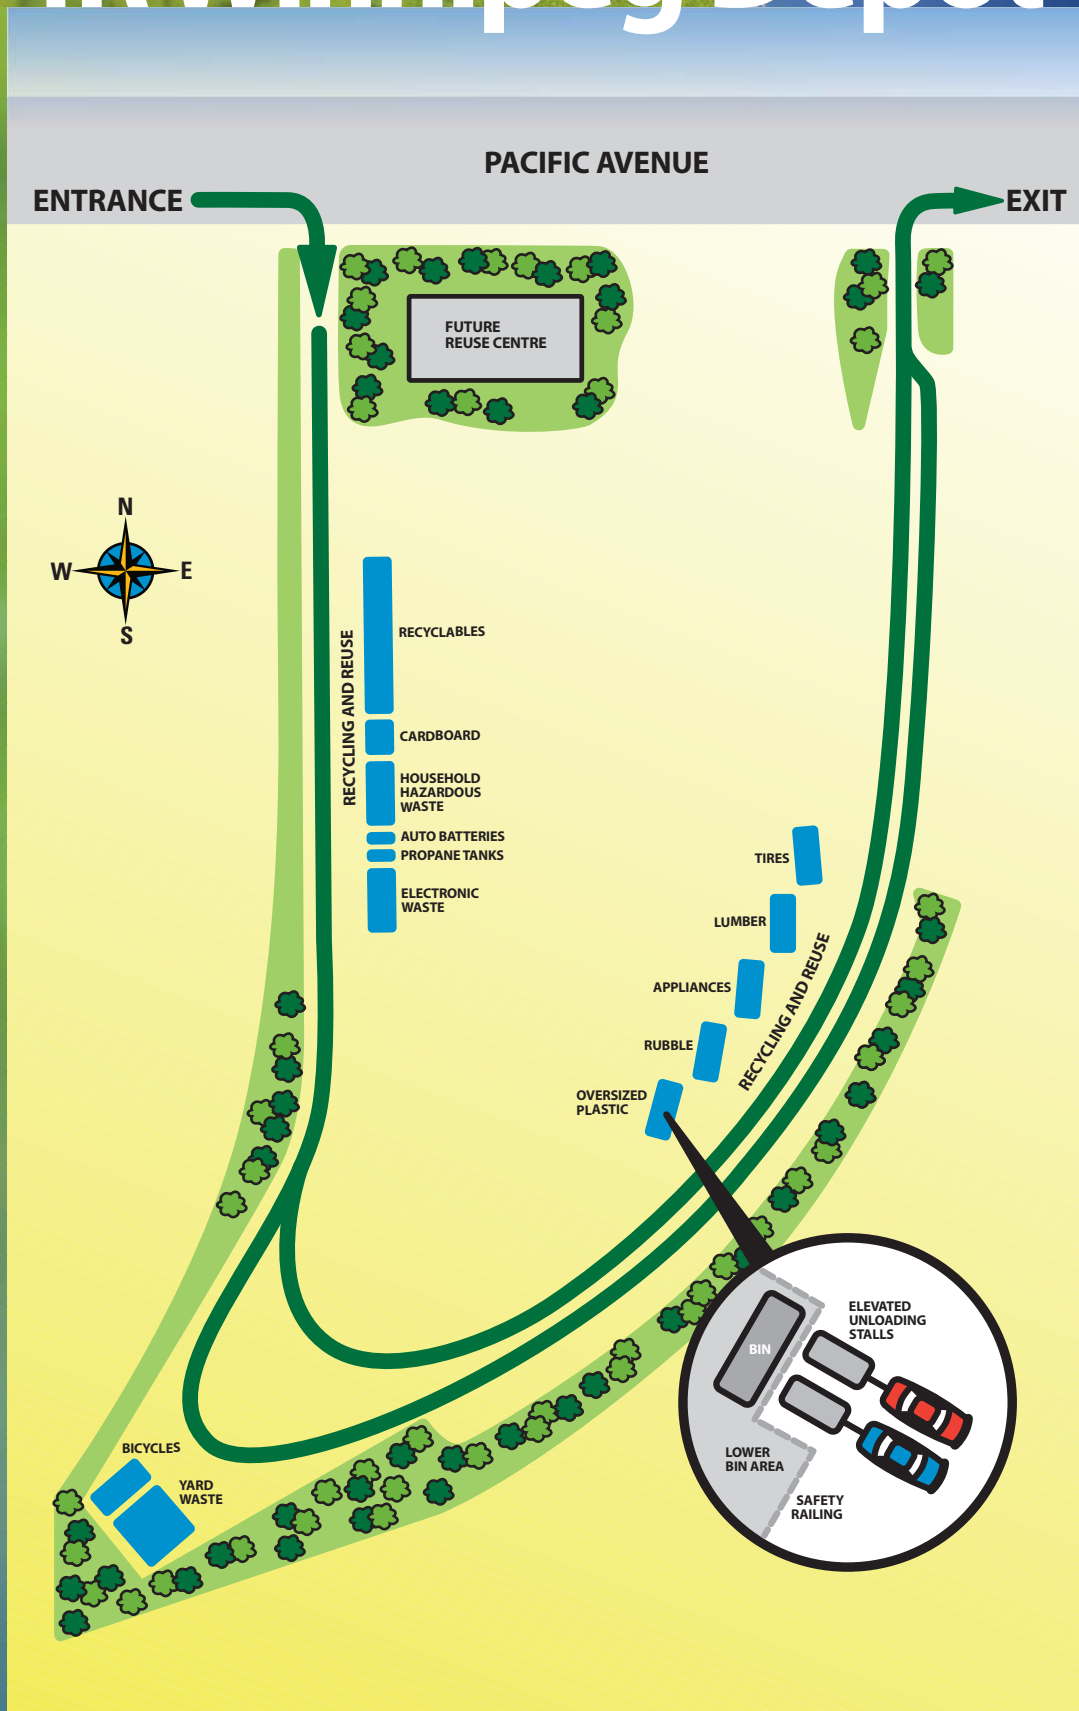

Reduce, reuse, recycle. Repeat.
For you, for our city.

What is a 4R Winnipeg Depot?

- ▶ “One-stop shop” where residents can drop off material that they no longer have a use for, but could be recycled, reused, or composted
- ▶ Larger than existing recycling centres and accepts more materials
- ▶ Will decrease the amount of garbage that goes into the landfill
- ▶ Built for residential customers entering with cars, trucks, vans and single axle utility trailers
