Attention: Mr. Mike Van Den Bosch, P.Eng.

Dear Ms. Braun:

**RE: 2005 WASTE HAULER SUMMARY REPORTS FOR THE WEST END WATER
POLLUTION CONTROL CENTRE LICENCE NO. 2669 E R AND THE NORTH
END WATER POLLUTION CONTROL CENTRE LICENCE NO. 2684 R**

Enclosed please find the Waste Hauler Summary Reports for 2005 as required under Clause #33 of License No. 2669 E R issued for the City of Winnipeg West End Water Pollution Control Centre and Clause #34 of License No. 2684 R issued for the City of Winnipeg North End Water Pollution Control Centre.

As was recently discussed with Mr. Mike Van Den Bosch, P.Eng. of your department, the reporting period for the enclosures covers October 3 to December 31, 2005. This was because we were not able to implement the manifest reporting system until October 3, 2005. Less detailed information without generator servicing information is available prior to that time but Mr. Van Den Bosch advised not to submit the same. There are also several notes at the end of the summaries that point out the basis for the information reported. In accordance with the Licenses and as discussed with Mr. Van Den Bosch, the submission will be made in this hard copy version only.

Please let me know of any concerns or questions respecting this submission. I may be reached at the below address, by telephone at 986-4807 or by email at kkjartanson@winnipeg.ca.
