

Invitation to Combined Sewer Overflow Master Plan Symposium

We invite you to the City of Winnipeg's first Combined Sewer Overflow Symposium.

Join us to learn more about Combined Sewer Overflows (CSOs) and to help shape a plan that will manage the effects of CSOs in an environmentally sound, sustainable and cost-effective manner.

- Date** Thursday, March 5, 2015
Event time 5:30 – 7:30 pm (registration at 5:00 pm)
Location Millennium Library – Carol Shields Auditorium (2nd floor),
251 Donald St.
Refreshments provided

We must submit to the Province:

- a preliminary proposal evaluating CSO control limits by December 31, 2015, and
- a final CSO Master Plan by December 17, 2017, for controlling CSOs to the defined limits.

More information

Visit our website at,
wwdengage.winnipeg.ca/cso-mp
