Dear Ms. Philip:

RE: 2013 ANNUAL REPORT - CITY OF WINNIPEG WATER SUPPLY SYSTEM

Please find enclosed the 2013 Annual Report for the City of Winnipeg Water Supply System in accordance with Operating Licence PWS-09-412 A, Section 5.11, and the Drinking Water Safety Act, Manitoba Regulation 40/2007, Section 32(2).

This Annual Report covers the requirements described in Section 32(2) of the Drinking Water Safety Regulation.

We will continue to send our customers an annual informational insert in the water bills to inform the public that the annual report has been prepared and how a free copy can be obtained. This is to comply with the requirements of Section 5.12 of our Operating Licence and Section 32(3) of the Drinking Water Safety Regulation.

In accordance with Section 5.13 of the Operating Licence and Section 32(4) of the Drinking Water Safety Regulation, a copy of this Annual Report will be posted on the departmental website within one month.

As per the monitoring requirements set out in Table 2 of the City of Winnipeg's Operating Licence, turbidity, free and total chlorine, UV and corrective action compliance reports are being submitted on an ongoing monthly basis. Bacteriological reports and chlorine residual results are sent directly to your office by the analytical laboratory that does the bacteriological testing of samples.

Please let me know of any concerns or questions respecting this submission. I may be reached by telephone at 204-986-4807 or by e-mail at kkjartanson@winnipeg.ca.

Thanks for your ongoing cooperation in this matter.

Yours sincerely,
